**REMEMBRANCE DAY ~ 11th NOVEMBER**

Remembrance Day in Australia is dedicated to Australians who died as a result of war, particularly from World War I onwards. A minute of silence is dedicated to the deceased, especially for soldiers who died fighting to protect the nation. Remembrance Day is annually observed on November 11.

On Wednesday at 11am, the school community will observe a minute of silence for those who died in war, especially soldiers from as far back as World War I.

Red poppies can be worn to remember those who died during a war; the nation’s fallen heroes. Poppies were among the first plants that began to germinate on the battlefields of northern France and Belgium after World War I. Many people wear poppies on the day, in remembrance of those that lost their life during war.
Dear Families,

My most sincere thank you for your attendance at Fr Ross’ Mass on Sunday. This was a tremendous reflection of the respect Fr Ross has within our community and a most fitting farewell. Coupled by the support of the staff, the thoughts of so many over the past few days have highlighted the strength and care of our school community. A special mention to Miss Overbury and the exceptional Year 2s for their contributions on the day, in particular the emotional finale. Fr Ross was most proud and touched by the stunning quilt gift organised by Mrs Moore. This has the names of all families embroidered as a token of our love and thanks to Fr Ross. A beautiful keepsake and memory of the St Joseph’s community! In the coming days we will prepare for the transition of a new administrative priest to be appointed until applications for a new parish Priest are closed. I believe the new priest will be appointed in mid-December.

Fr Ross is in Cabrini, Malvern for a short stay before transferring to his new residence in Balwyn. We remain in daily contact and he conveys his overwhelming pride in the St Joseph’s community. We ask that you keep Fr Ross in your prayers and thoughts.

ASSEMBLY & TODDLERS
Whilst we warmly welcome our toddlers at assembly each Friday, we request that you redirect play activities to the new school foyer next to the canteen rather than the Prep classrooms. Sadly the classrooms are being left in a poor state and literacy activities for the day are being disturbed, misplaced and thus impacting on the daily running of the classroom. Your understanding is appreciated.

NEW PLAYGROUND SURFACE
The new resurfacing of the playground has commenced and it is hoped that the new surface will be completed this week. All new line markings will commence next week with a special paint that will last many years to come. Let’s hope so for our 4 Square students. This will certainly lift the appearance of this valuable and aging playing space. As previously stated, this is a significant project in size and cost, requiring the support of the P & F. Concerns were identified with OH & S with regard to the edging, raised uneven and exposed surfaces after the removal of certain trees (at risk with falling limbs) and significant cracks throughout. All options were explored and it was determined an asphalt surface was the most suitable. This will require very little maintenance over the next 10-15 years and the advice sought by many supported a long term view, rather than a short sighted quick fix to this area. Additional works were also required to modify the dimensions of the basketball court as the new building encroached on this playing area.

Over the past few weeks we have also explored additional shade options for both playgrounds. A priority area will be the western area of the playground. This is an expensive and required project in the coming months.

PREP ORIENTATION SESSION #2 WEDNESDAY 11TH NOVEMBER
Well done Miss Skehan and Miss Dullard for your great efforts with the Orientation program. We have session #2 this Wednesday and I’m most affirmed at how comprehensive this process has become for all our new students. Thank you Miss Guy and Mr Eddy for assisting with the management of our current Preps throughout this program, this is incredibly helpful.

CLASS PLACEMENTS
This has always been a big and well considered process with so many variables. I remind all parents to put in writing, educational requests for placements, directed to my email. It is not appropriate to have parents approach teachers directly and make casual, and at times in jest, requests for certain staff for their child. Whilst we do friendship groups prior to these placements, these considerations are one of the many factors for staff deliberation. It is, however, not possible to accommodate all of these wishes. The final class makeup rests with the Principal.

Despite the works to the front playground and the student assessment schedule for the Preps to Year 2s, it appears we are in for a relatively calm and settled week.

Have a wonderful weekend away on the parents and kids camping adventure. We could have up to 200 attending. What a great effort Brendan Edmonds and thanks for organising.

Simon Collis
Principal

Important afterthoughts...
New Prep for 2016, Charlie put his new St Jo's art smock on and yells out from his bedroom, “Oh mum, it's quite cute.”
What an impressive piece of homework undertaken by James Sutherland. Writing a song to remember some grammar rules. Great job James!
Congratulations to our SRC students, with assistance from Orlando and Jack K (Year 4), who raised an incredible $641 for the St Vincent de Paul’s Christmas Appeal, with their organisation of Socktober and Day for Daniel. The SRC gathered together before school on the day of the fundraiser and helped to chop up the beautiful fruit (thanks to Josie Fiorello for organising this) to sell to their classmates. Jack, Orlando, Christiana, Lucy and Noa stayed on to prepare the popcorn for sale. Thanks to Jennifer (mum to Jess Year 1 and Emily Year 4) who assisted in the kitchen for most of the day, and thanks also to those parents who donated the use of their popcorn makers. We also thank Genevieve (Year 6) who raised $40 with her lemon sale and she has kindly added this to our St VDP collection.

**FATHER ROSS**
What a very special community occasion on Sunday, to farewell Fr Ross as he retires from our parish.

After speaking with him on Sunday evening, and yesterday, he is still quite overwhelmed at the level of support and thanks given to him on his special day. A number of people have asked about the quilt which was made for Fr Ross as his leaving gift and it is a story I’d love to share with you. After receiving the very unexpected news of Fr Ross’ ill health and imminent retirement, we had just a few days to put together an appropriate gift to farewell him. The quilt, containing the names of all the St Joseph’s families and the staff names, seemed like an ideal gift to show Fr Ross that we will be with him on his journey. With such a short time line, I searched online for quilt makers, and my first contact was with a quilter located in Narre Warren, Sharon Andrews. I was astounded that, although she has no connections with St Joseph’s, she agreed to make the quilt over the long weekend. So with the help of her sister (a fellow quilter) and another friend the ladies worked tirelessly over 4 days to ensure our gift to Fr Ross would be ready. The other piece of the gift that needed to be made, prior to Sharon beginning her work, was the printing of the names. A company in Seaford came to our rescue and after couriering the fabric to them they had all 250 plus names printed within a couple of days. So, two complete strangers stepped in and made the gift possible: Josh Tulloch from “The Business Image Group” and Sharon Andrews from “MDR Quilting services”. The St Joseph’s community are very grateful to you both for your kindness, hard work and amazing efforts to have our gift completed in time for Sunday’s mass. If you ever need business printing then I highly recommend Josh and his team at [http://bigbranding.com.au/](http://bigbranding.com.au/) (The Business Image Group). I also encourage you to check out Sharon’s exquisite quilt work and associated services at [http://www.mdr-quiltingservices.com.au/index.html](http://www.mdr-quiltingservices.com.au/index.html)

We thank Fr Ross for his many words of wisdom, guidance and unwavering support of our school community over the years, and our thoughts and prayers are with him during the treatment for his illness and his retirement. Have a great week,

**Michelle Moore**
Deputy Principal
mimoore@sjelst.catholic.edu.au
Religious Education and Faith

Dear Families,

The coming weeks herald the beginning of Advent and a very special time in our liturgical year. On Sunday 29th November we will celebrate the first week of Advent symbolised by the colour violet and the candle representing Hope. Our Advent wreath will be placed in the atrium and, each week at assembly, we will light the advent candles to symbolise this important time as we prepare for the birth of Christ.

CHRISTMAS APPEAL
In the coming week we will begin to collect donations on behalf of St Vincent de Paul for our annual Christmas Appeal. The St Joseph’s community is unfailingly generous when giving to those in need and this exemplifies the high profile social justice has within our community. The donations this year will be assembled into hampers, which will then be distributed to families and individuals. It is hoped that we will be able to provide hampers for 25 families and 15 individuals. As such, I have tried to be specific when indicating the size or type of donations which are required.

In addition, toiletries such as shampoo and conditioner are often gratefully received as many people are only able to afford the most basic ‘home brand’ items. The Social Justice leaders will place baskets in the atrium on top of the cupboards running alongside the new building and each will be labelled according to the type of donation required. We will keep a tally of the items so it is clear what is still needed. If we are all able to contribute a few items per family then this will make a significant difference in the lives of others this Christmas.

Kind regards,
Peta Overbury
Religious Education Leader

Toys/books and fun things the children have offered previously are also welcome. If you choose to donate these, please don’t wrap items as this makes it easier for staff to distribute them accordingly.

We aim to collect all items by **Monday 7th December** to allow the St Vinnie’s staff time to arrange the hampers and distribute them.

_Thank-you in advance for your kindness and generosity_
ENERGY

Today marked a milestone in our sustainability journey. Our Energy Module has been submitted to the ResourceSmart facilitators for assessment. Although only 60% of actions need to be completed to verify the module, we completed an amazing 86%. Actions relate to operations, community engagement, infrastructure and curriculum. We have achieved so much it is difficult to summarise in a short newsletter piece, but here is a snapshot!

- Installation of Summer/Winter mode fans in new buildings
- Switch off regime across whole school
- Energy dollars program
- Lessons on clean energy and energy sources
- CERES incursions
- Environment Day with an energy theme
- Reduction in our energy bill of 15% on last year (even with the new buildings and our school doubling in size)
- Community awareness of our cause
- Solar power investigation
- Clean energy purchased
- Passive energy investigation
- Tinting on windows in Year 1G & Performing Arts to reduce need for air-conditioning

Our Environment Leaders and staff wish to thank each and every student in the school for taking on this mission with such enthusiasm and passion. The sustainability conversation has been well and truly started and we are so excited to see where this journey will take us next year. I have included in the newsletter this week some information from Origin on energy consumption and costs heading into summer. In Year Four we will be looking at calculating what it costs to run our homes over summer. Perhaps a nice little chat around the dinner table!

Claire Ryle
Sustainability Leader
UNDERSTANDING YOUR ENERGY USAGE

HOUSEHOLD APPLIANCES

Summer – VICTORIA

Everyone wants to keep their electricity spend under control. But sometimes, it’s hard to know where to start.

In this guide you’ll find the estimated average running costs for the most common household appliances. It’ll give you a picture of what makes up your electricity bill now, and where you may be able to save by cutting back in the future.

Want to know more?

Information you should know

* Pricing effective 1 February 2015. Pricing quoted is based on an average of usage prices taken over the various electricity distribution networks and includes GST. The fixed supply charge is not included.

Costs are based on the general domestic, GST inclusive usage price per unit of 27.28 cents peak and 13.91 cents off-peak per kWh. The typical Origin Victorian household consumption can vary between 1,000 and 1,300 units per quarter depending on type, size, age and usage of appliances, the size and layout of the home and the number of people living in the home. Electrical appliance running costs are based on watts or kilowatts of electricity consumed.

(One unit = 1kWh = 1,000 watts operating for one hour). If the appliance has a temperature controller or thermostat, then the setting of that control also affects the running costs.

Some residential appliances (usually those with electronic components) actually use some energy while in either ‘standby’ mode or turned ‘off’ at the appliance. While the energy used in each individual appliance may not be substantial in ‘standby’ or ‘off’ mode, be aware some of your appliances may still be consuming energy when they are not in active use.
LITERACY NEWS

The SRC presents St Joseph’s

S. P. E. L. L. A. T. H. O. N

The word is out. At the end of November St Joseph’s will be holding their very first Spellathon!

The SRC and Mrs Pepper will be launching this exciting event this week. More information and sponsorship forms will come home on Wednesday. Just watch as the excitement builds to fever pitch - will any students be brave enough to take on the teachers! (Spoiler alert)

One of the big foci for 2015, for both students and teachers has been spelling. As educators, our knowledge about how to explicitly teach spelling has increased and our students are benefitting from it. We would like to finish the year with a bit of spelling fun. We think the Spellathon is a great way to further spotlight spelling and at the same time raise some money for much needed Literacy Resources in our school.

How does the Spellathon work?
Each student in the school will be given 20 words to learn, except for the Preps who will be given 10 words. The lists will vary according to the year level. Obviously, the higher up the year level, the more challenging the words. The students will have plenty of time to learn these words and practise them before the actual Spellathon day on Monday 30th November.

The teachers will be promoting this event as a fun event and stress free. On the day of the Spellathon, each class teacher will test their class and record the number of words spelt correctly on the Sponsorship Form. This will then go home with the spelling test sheet so that the money can be tallied up, collected and brought back to school.

As an incentive, there will be a prize for the class that raises the most money. Also a prize for the student who raises the most money from each class. Please encourage your child to get excited about this event.

If there are any questions about the Spellathon, please talk to your child’s teacher. We all look forward to our very first Spellathon at St Joseph’s and hope that everyone has a lot of fun with it.

Kind Regards,
Geraldine Pepper – Literacy Leader
Italian Day!

On Friday 20 November, we require parent helpers to help with lunch time pizza and ice cream distribution and craft activities for Italian Day.

If you are able to assist, please put your name on the list at the Tuckshop.

Grazie,  Signora Clewer
St Joseph’s Italian Day

Friday, November 20, 2015!

A day for celebrating all things Italian!

In the true Italian spirit of having fun and connecting with others, everyone is encouraged to come ‘in costume!’ The possibilities are endless; from gondoliers to gelati, the Ancients to artists, Saints to soccer stars, food to fashion or musicians to monuments! Use your imagination and start planning your costume!

We will have a Parade, art, craft and soccer activities and a performance of Southern Italian music using traditional instruments.

This year we will share a delicious Italian lunch of pizza and gelati. As with last year, if any children would like to make samples of Italian food to bring in and share, you are most welcome.

If parents would like to be involved on the day, please see Signora Clewer or place your name on the Parent Helpers list at Tuckshop.

Grazie
Signora Clewer
Italian Day Lunch Orders

On Italian Day, children will have the opportunity to enjoy an Italian lunch of pizza and gelati.

Pizza can be pre ordered through FlexiSchools at a cost of $4.00 per child.

Please place your order by 6pm on Tuesday November 17.

Ice cream for every child has been generously donated by Will’s Batch in Glenhuntly Rd. Mille grazie, Will’s Batch!!!!!

Please ensure your child has a snack for the first play.

Grazie, Signora Clewer
A reminder to all St Joseph's families to please support our local Bakers Delight bakery at every opportunity. They are located in Glenhuntly Road and if you mention St Joseph’s before your purchase is rung up, they will donate 5% from each sale and provide the P&F with a cheque at the end of the year. This certainly adds to the P&F’s fund raising efforts. Our wonderful, local Bakers Delight has provided us with bread on many occasions such as Trivia Night, Winter Sleep Out just to name a couple.

Please remember to support our local Bakers Delight

CAKE STALL THIS FRIDAY
The P&F is hosting a cake stall this Friday after school. Delicious cakes, biscuits and slices will be on sale from the Tuckshop.

GIFT CARDS FOR SALE
The beautiful artwork, which was prepared by each class last term is being used on greetings cards. The cards will be ready for Christmas and will be sold via FlexiSchools later this month. Cards will be full colour in a postcard style and will be sold in packs of 10 or a mixed pack of 12 (one card for each artwork).
TUCKSHOP
Tomorrow, Wednesday 11 November, our volunteers will be Di Hermus, Rachael McDonald and Irene K, and Andy Sutherland from 9-12:30. Thank you all.

Next Wednesday, 18 November, our volunteers will be Sarah Exon, Paula Denholm and Surinder De Young, and Kathryn Rayson from 9-11:00. Thank you all in anticipation.

Remember we will be open every Wednesday for Tuckshop. Please place orders by 9am Wednesday morning by using the link shown below, or via FlexiSchools, (www.sjelst.catholic.edu.au/page/199/Tuckshop).

Click here to order online.

With thanks from The Tuckshop Team
Amber, Kellie, Penny, Rach and Sherelle
KEEP CUPS FOR SALE
Don’t forget to purchase a ‘Keep Cup’ via FlexiSchools, The Little Coffee Van or the Environment Club, for a limited time only.
St Joseph’s 2015
Dads & Kids Camping Weekend Away

When: Sat 14th to Sun 15th November 2015 (Only 4 more sleeps until Camp)

Where: Point Leo Foreshore Caravan Park approx. 1 hour from Melbourne
