ENROLMENTS 2016
Current families, in particular Year 4 students, must please notify the office as soon as possible regarding your intentions. These numbers impact greatly on class structures, staffing allocations and plans for 2016.

Dear Families,

This year we commemorate the 100th anniversary of the landing at Gallipoli. Our local RSL branch have a stunning array of activities to remind and engage families in this significant national event, and we encourage all families to visit if possible.

ANZAC DAY – Year 5-6 Assembly Friday at 9am
This Friday we remember with thanksgiving those who made the supreme sacrifice for us in time of war. We pray that the offering of their lives may not have been in vain. We dedicate ourselves to the cause of justice, freedom and peace; and for the wisdom and strength to build a better world.

Anzac Day, 25th April, is a day set aside as ‘The one day of the year’ to solemnly remember those who went to war to fight for their country’s freedom. It is day when all Australians and New Zealanders think of those who answered the call of their country in times of war.
During World War 1, soldiers landed at Gallipoli (Turkey) on the 25th April 1915. On that fateful morning, ANZAC soldiers landed on the shore just before dawn and rushed up the steep cliffs on the beach.

The Turkish soldiers initially retreated from the surprise attack, however by the end of the first day; the Turkish army gained an advantage over our troops, leaving 2000 ANZACs dead. For 6 months the fierce battle raged on. By the 20th of December 1915, 8700 Australian lives had been lost. Overall 97,000 allied soldiers were killed.

Anzac Day is a day when we remember fathers, grandfathers, relatives and mates who never returned from war. We do not glorify war; rather it is day when we reflect on the awfulness, the death, destruction and horror that it brings. Each year we remember all those killed and injured in war and we should each vow that, if at all possible, wars should never happen again. Tomorrow we pray that we will work towards finding alternatives to war as to make our world a more peaceful place. Listed below are some important symbols that we associate with this historical day and I encourage you to discuss these with your children.

The **slouch hat** is a symbol of the Anzacs who fought at Gallipoli during World War 1. It is still worn by the Australian Army today.

The Aussie soldiers were called **Diggers** because they dug trenches to protect themselves from enemy fire. We still refer to our soldiers as diggers today.

Have you ever eaten an **ANZAC biscuit**?
A group of Australian women had a brilliant idea to make biscuits packed with nutrition, but tough enough to last the two month sea voyage from Australia to the battlefields. They were so tough the soldiers were afraid they would break their teeth so they often ground them down to make porridge in the trenches.

The **‘Last Post’** is a stirring piece of bugle music. It was used in the 1600s to tell the soldiers what time is was. It has been used to signify the end of the day.

The **Minute of Silence** is held to reflect on the significance of the day and as a sign of respect for the many lives lost.

The **Rouse** or **Reveille** piece of music is played to signify the waking up to a new day. During ANZAC services this is where the Australian flag is raised to full mast.

The **Red Poppies** have been a symbol at services for over 80 years. The tradition began when a Canadian soldier fighting in France in 1915 wrote the poem ‘In Flanders Fields’. He noticed that red poppies grew where hundreds of young men had died. Shortly afterwards they became a symbol of Remembrance Services.

*The Ode of Remembrance* is taken from a poem called ‘For the Fallen’.

*They shall grow not old, as we that are left grow old;*  
*Age shall not weary them, nor the years condemn.*  
*At the going down of the sun and in the morning*  
*We will remember them.*

We thank in advance, Charlie Cameron who has kindly offered to play The Last Post at assembly this Friday.

**NAPLAN**

Year 3 & Year 5 will be participating in national testing between 12th and 16th May. We ask that the relevant families lock these dates into their calendars. Should your child be unable to partake in these tests, please notify the office as soon as possible.

**SCHOOL PHOTOS - 18th May**

**WORKING BEE - 23rd May 9:00am - 1:00pm**

It’s simply great being on the gate each day, warmly greeted by our families. Look forward to another terrific week at St Joseph’s.

Simon Collis  
Principal
Don’t forget the extra-curricular programs we have on offer this term.

In addition to our morning tennis/before school sport/basketball/netball/after school music programs, we will also have:

**Mondays – Mindfulness Session** each Monday from next week. The classroom teachers are incorporating mindfulness meditation into their daily routines, but many students have been keen to continue with a session during play time. As always, I will make an announcement at morning snack time, and the session will take place in the performing arts room. No need for students to sign up and attendance is flexible from week to week for Prep to Grade 6.

**Tournament of Minds Competition** – Expressions of interest will go out to our Year 5 and 6s next week. I will meet with the students and talk through the TOM process, and I will also pass on further information about the tournament to the parents.

**Bubble Soccer Program** – Eugene from ‘Mathmatters’ will once again be running this. He will also add other fun physical activities in a multi-sport numeracy program. There will be 5 sessions this term and they are open to any student from Prep to 6. For more information/enrolment please contact Eugene at info@mathmatters.com.au or on 0421 711 641.

**Tuesdays – Skipz** – will continue with their highly popular skipping program, after school. All ages are welcome, please call Isabelle on 0403 221 141, or download an enrolment form from www.skipz.org and please hand in to the office.

**Chess** – I am currently organising the Chess classes for Term 2 and 3. This is open to all students and the cost is approximately $90 per term for one lunchtime session per week. This was hugely popular last year and we over-subscribed very quickly. If you would like your child to attend then please email me at mmoore@sjelst.catholic.edu.au and I will add your child’s name to the list/answer any questions you may have.

**African Drumming** – Perhaps one lunchtime per week, for the term. This program ran several years ago at St Joseph’s and a number of parents are keen to have it run again. We would need a minimum of 15 students to enrol for it to be financially viable. This would be open for Prep to Grade 6- please email me on the above email if you are keen for your child to be involved. Additional information about the program can be found at www.africandrumming.com.au

Have a great week!!

Michelle Moore

**WORKING BEE – SATURDAY 23 MAY**

If you are available, please keep this date free for a Working Bee.

For those who are unable to undertake the heavier labour jobs, you may be able to help in the Literacy room with sorting texts into ability level boxes, sticking labels on boxes, laminating cards or book covering.
As we draw closer to the Anzac Centenary, it is the perfect time to reflect on the Peace Prayer of St Francis. Although it is attributed to St Francis of Assisi, the Peace Prayer of St Francis was composed much more recently. It was first published in a small French devotional magazine in 1912 as a prayer that could be said during Mass.

It came to a wider audience in 1915 when a French Catholic group sent it to Pope Benedict XV, who was passionate about bringing an end to the Great War in Europe. He had the prayer published in the Vatican newspaper. It was then reprinted in La Croix, the French daily newspaper, as a prayer for peace to end the war. In the United States it was attributed to St Francis of Assisi and was widely distributed on prayer cards during the Second World War and afterwards. There are many English versions of the prayer.

The most familiar, as seen below, is the hymn composed by Johann Sebastian von Tempelhoff, a South African Franciscan. It grew in popularity when Mother Theresa included it in the morning prayers of the Missionaries of Charity, the Congregation she founded. She also had it recited at the ceremony in Oslo when she was awarded the 1979 Nobel Peace Prize. No one knows how it came to be associated with St Francis, but the warmth and generosity of the thoughts and the focus on others echo the spirit of St Francis perfectly.

The prayer invites us to move away from the negative attitudes that can infect our relationship with God and one another – such as anger, hatred, doubt and darkness. It encourages us to let go, forgive, trust and hope.

(This is an edited article that first appeared in Australian Catholics Magazine Summer Issue 2015)

Claire O’Dowd
Religious Education Leader (Curriculum)

Make me a channel of your peace.
Where there is hatred, let me bring your love,
Where there is injury, your pardon Lord,
And where there’s doubt, true faith in you.
Make me a channel of your peace,
Where there’s despair in life let me bring hope,
Where there is darkness – only light,
And where there’s sadness, ever joy.
Oh Master, grant that I may never seek,
So much to be consoled as to console,
To be understood, as to understand,
To be loved, as to love with all my soul.
Make me a channel of your peace,
It is in pardoning that we are pardoned,
In giving to all men that we receive,
And in dying that we’re born into eternal life.
Dear Families,

This Friday we will be commemorating those men and women who have fallen in war, giving their lives so that we may live in freedom. In particular we will focus on celebrating the 100th anniversary of the ANZAC landing at Gallipoli in 1915. Our Year 5 & 6 students will lead a reflection at assembly on Friday morning and then our Prep – Year 4 students will be attending mass at 12.00. All families are most welcome to attend.

**Reconciliation Parent/Child Workshop @ 6.30pm**

Our workshop will begin in the multi-purpose room and then students/parents will complete any follow-up activities upstairs in the Year 3 and 4 classrooms. We anticipate that the evening will finish at approximately 8.00pm.

We look forward to seeing you there.

Kind regards,

Peta Overbury

Welcome to Bug Club

Bug Club is a literacy program which offers expertly levelled print and digital books that engage children as they learn to read. Bug Club Digital helps children improve their reading skills at school and home with exciting books and rewards. Books feature some well-known characters and have been designed to motivate children, so they get the most out of reading and want to read more.

Your Bug Club Digital login details

Username
Password
Login

Logging in

You can access Bug Club Digital on your home computer or iPad. Please refer to our System Requirements before you start. A Student/Parent Help Guide is available before you log in to Pearson Places and from your student passport.

1. Go to www.pearsonplaces.com.au
2. Enter your username and password and click Login

4. This will take you to your Bug Club Digital home page. Students can choose the world they like best by clicking the My Home tab.

Using the books

Books allocated to your child are in the My Stuff tab. Children earn coins for completing a book and all the quizzes in it. Results are shared with your child’s teacher so they can see how your child is progressing. Students can then use their coins to play games in the My Rewards tab. Completed books are stored in the My Library tab.

When reading books with your child, use the notes on the inside front and back cover (where available) to help you talk about the book with your child before, during and after reading. Further tips can be found in the Help Guide.

When you have finished using Bug Club Digital, click the Log Out tab. Have fun exploring Bug Club Digital!
BUG CLUB –

Finally we are up and running! During first term bug club has been moving to a new platform that is even better, it is now ipad compatible which is fantastic for home and school. To access bug club you now need to enter via: www.pearsonplaces.com.au

Each child has their own login username and password. The class teacher has allocated specific books to each child and they are encouraged to read each book several times over the period of a week. Reading a text several times is extremely beneficial. Focus on one book a week;

- Choose the ‘read to me’ option (if available) and just listen to the book being read aloud.
- Read the book out loud.
- Reread the book answering the ‘Bug Club’ questions. Please allow your child to do this independently as the results are monitored by the teacher and direct the future teaching.
- Read the book again and circle all the high frequency words e.g. red words or circle the tricky words and discuss them with an adult.

Bug Club is an excellent resource and we encourage you to actively encourage your child to get on and earn reading points. To learn more please check out the attached flyer and do not hesitate to ask either your child’s classroom teacher or myself gpepper@sjelst.catholic.edu.au

Note: Resources listed above as requiring Adobe Flash Player are not available on iPad.

Bug Club is not recommended for use on Android devices. Other browsers and configurations may run the software, but we can only offer support for the configurations listed above.
**Literacy Parent Helpers**

Thank you to all our wonderful parents who have put their name down to assist in the literacy block. It is fantastic and has so many benefits for the students, the teacher, and the parent helper!

At St. Joseph’s we believe the more helpers we have the better we can support our students. We encourage all parents to help out if possible. You do not have to complete the “parent helpers course” to help out in the classroom, it is a bonus but not essential.

The parent helper’s course is aimed at giving parent helpers more of an idea about the expectations required when working with a small group in the classroom. If you have completed the parent helper’s course then please let the classroom teacher know so that she can plan accordingly.

We value everyone’s contribution as there are many tasks that all parents can help with in the literacy block e.g. Reading 1:1, Picture chats, games etc. We can’t wait to see you in the classroom, sharing your child’s learning journey!

Regards,

Geraldine Pepper – Literacy Leader

**STUDENT NEWS**

Over the school holidays, Ina C received a very special award at the conclusion of the softball season.

Ina is this year’s Most Valuable Player (MVP) for the Under 12 category for the entire competition, usually selected from the Champion team. Ina led the voting polls against all the players from the other teams. Ina’s team, the All Stars, finished an amazing season coming 3rd.

**Glen Eira Moorabbin Softball Association**

Ina C – Under 12 Most Valuable Player for entire competition
This certificate is presented to Maddi Bird, who along with her family supports a spirit of social justice. **Impact** is a completely volunteer driven and led charity with no paid staff and no paid premises yet they make an impact to the 700 or so Victorian women who, together with their children, find themselves in crisis accommodation on any given night as they flee extreme violence at home.

Along with nearly 200 other volunteers, Maddi packed hampers for these women in readiness for Mother’s Day.

Anzac Day 2015

To commemorate the 100th anniversary of the ANZAC landings at Gallipoli, Caulfield and New Zealand RSL sub-branches are coming together with the local community to stage an inaugural march down Glenhuntly road preceding the Caulfield RSL Dawn Service at 4 St Georges Road, Elsternwick.

Everyone is invited and encouraged to take part in this event which will include the march honouring those fallen, hymns, prayers, laying of wreaths, the Last Post, a period of silence, the Reveille, and both the Australian and New Zealand national anthems.

The march, which includes several local school students honouring those who lost their lives during the Great War, commences at 6.30am and the Dawn Service commences at 7.00am. Best vantage points are along Glenhuntly road between Orrong and St Georges roads.

To further commemorate this significant event, the rearmost part of 4 St Georges Road is being turned into a creative scene of Gallipoli itself with trenches, uniforms, replicated scenes and simulated artillery. First class performers will headline the entertainment from midday through until 6.00pm.

To entertain families and children we have designed a dedicated Carnivale at the front of Caulfield RSL. The road will be sectioned off to accommodate a farm, professional face-painting, tattooing, ballooning, a jumping castle and non-stop stage entertainment.

Free entry guarantees that everyone can be involved – come and stay all day if you wish.

For enquiries please contact Margaret O’Keefe, Marketing Manager, Caulfield RSL: margaret@crsl.com.au or 9528 3600.

Learn music here at school

Come and join in the fun of learning to play keyboard, guitar, here at St. Joseph’s Primary School, Elsternwick.

Creative Music for Schools conducts a music program here at school each week.

Small group classes or one-on-one lessons give children an excellent grounding in music where they will learn to read music and play their chosen instrument.

Tuition costs from $16.20 per lesson and enrolments are now being accepted for limited places in term 2.

Interested parents should call Sharon during office hours on 9818 2333

www.creativemusic.com.au
This is an opportunity for parents and community members to attend an informative evening with Melbourne Family Relationship Centre (MFRC).

MFRC will facilitate discussions about healthy relationships and supporting young people through family separation. This will equip parents with:

- strategies on how to communicate with your young person effectively;
- how to best support young people through the transition;
- advice on how to approach tricky conversations; and
- what to look for in behavior and attitude changes.

**Guest speaker — Melbourne Family Relationship Centre**

Melbourne Family Relationship Centre (MFRC) is one of the leaders in providing support services to enhance family relationships through a range of programs, support networks and presentations.

MFRC has extensive knowledge and experience in the field of family relationships. It will provide sound insight and practical strategies, which parents can implement with their children as well as encouragement and advice for parents. It’s a night not to be missed.

**FREE event**

Bookings are essential as seats are limited. To avoid disappointment, contact Youth Services on 9524 3676.

If event reaches capacity, priority will be given to Glen Eira residents when taking names for the waiting list.
Skipping is a fabulous sport that incorporates both freestyle (skills performed to music) and speed elements (timed events where the skipper’s steps are counted). It is one of the best forms of improving fitness with 10 minutes of non-stop skipping equated to a 20 minute jog as well as improves flexibility, balance, coordination and build muscle strength.

The Skipz program provides qualified and experienced coaches who work with all Year and skill levels to provide a full cardio workout to their favourite music tracks with a variety of tricks and challenges that engages all ages and genders.

Our program at St Joseph’s runs from 3.45-4.45pm each Tuesday during term time.

Enrolments for Term 2 are now open. Please contact Isabelle on 0403 221 141 for further information or download an enrolment form at www.skipz.org.
