**NEWSFLASH**

Having received feedback regarding the very large newsletters of late (due to the increasingly high volume of advertisements) and the large amount of administrative time and effort involved in checking / reformatting these advertisements, we will trial the following idea commencing from Term 3.

In addition to the school Newsletter, which will continue to be published weekly, we will be publishing a separate advertising bulletin, consisting of advertising only.

**Keep in mind that these advertisements may offer a variety of benefits such as holiday programs, music programs, children’s sports and dance clinics, health services, discounts, council information sessions, council events such as Party in the Park etc and many other items**

**We look forward to any feedback once this is underway.**
Dear Families,

Hang in there families, as we are nearly there. We have had lots of sickies in our community in the past few weeks. We ask that you please keep your child at home if they are unwell as this tends to pass quickly through a classroom. The winter months have claimed a good few students, parents and indeed staff, so please travel gently and look forward to a restful and a much anticipated break in the coming weeks.

SIBLING PREP INTERVIEWS
In 2016, we will have a significant number of siblings starting school and this looks to be a trend in the years to come. It has been wonderful meeting with these children over the past few days and it’s delightful to acknowledge that their older sibling have forged the way in readiness for school. During these meetings, I ask most prospective students what they look forward to when they start school next year and the responses vary, from playing games/sport to going to the tuck shop. I was refreshed today to hear from Oscar V, that he looked forward to reading. Reading has the capacity to open up a whole new world for our children and these skills are heavily advocated in their primary years. Like previous years, we have so much to look forward to with our next cohort of students and families.

SIBLINGS 2017 AND BEYOND
In the coming days we will ask parents to notify the school, identifying any siblings entering in 2017 and beyond. This is important data, which will support our enrolment processes in the future.

ASSEMBLY
Well done Year 3s and the teachers for preparing the children so well for the assembly last Friday. We may have another whole school song after this performance. We had everyone bopping and tapping during, and well after, this uplifting assembly.

YEAR 1 MASS
What a terrific turnout for the parish and Year 1 family mass on Sunday. This culminated with a lovely communion reflection prepared by Miss Glumac, Miss Di Pietro and Miss Overbury and cuppa and biscuit back at school. These celebrations and gatherings have been a wonderful addition to our calendar over the past few months. I greatly appreciate the added commitment of our staff in preparing for these special celebrations.

IT'S BEEN A BUSY TIME FOR OUR YEAR 1s
Reports, excursion, Water Walk Challenge (extraordinary outcome for Caritas), incursion, Mass and upcoming assembly item. What a positive attitude to this full agenda the children and Miss Glumac and Miss Di Pietro have had. It’s all been taken in their stride! I strongly suspect the children and staff across all year levels will be looking forward to a much needed break as these full programs are reflected across most levels. Such rich learning experiences at St Joseph’s.

SWIMMING PROGRAM
Whilst I believe most students cope with these additional programs and demands of school life, I encourage all families to closely monitor the fatigue levels of their child in the coming days. Earlier nights and plenty of rest is advisable leading up to the term break. One parent stated today that they have up to 14 drop offs and pick ups throughout the week for their child at various after hours programs.

PRAYERS IN PYJAMAS – PREPS
We look forward to our first prayerful evening with our Prep families this Tuesday. We anticipate some positive feedback as we plan to schedule these annual evenings for our juniors beyond 2015. Delighted to hear how excited Willow in Prep is, about reading a prayer tonight.

REPORT COMMENTS
At St Joseph’s, we will be reporting to you in June about your child’s progress in relation to the curriculum, their behaviour and their effort. Children who receive the grade ‘C’ are operating at the level expected at that time, for that age group. Children who receive the grade ‘B’ and ‘A’ are providing evidence that they have ‘mastery’ of the knowledge and skills above that expected at that time, at a curriculum level, 6 - 12 months beyond. Evidence of student attainment is gathered in a number of ways e.g. formal testing scores, teacher observation, student feedback and the completion of tasks / activities throughout the semester.

The parent feedback about reporting practises at St Joseph’s is overwhelmingly positive; this is a result of the very personalised student reports produced by our teaching staff, who work extremely hard to give you a detailed, professional and honest snapshot of your child’s progress during the semester.

Once again we welcome your feedback regarding your child’s report and anticipate the positive partnership in embracing and supporting the learning and personal goals for Semester Two.
We had approximately 130 parents attend the evening and many genuine apologies and disappointed non-attendees. The overwhelming feedback was positive, with many requesting a similar program next year. Notes have been kindly posted on the website upon request by parents.

Warm regards,

Simon Collis
Principal

Afterthoughts...
One parent said that I must have been happy that my team, Carlton, had a bye last weekend. Sadly I think they have had a bye since Round 1.

TRAFFIC LIGHTS FOR ORRONG ROAD – PEDESTRIAN SIGNALS
In correspondence received from the Glen Eira Council, they have informed that funding is being sought to convert the existing school crossing in Orrong Road to a set of pedestrian signals. This project will utilise the existing kerb outstands. The “No Stopping Whilst School Flags Displayed” signs will be removed so that an unrestricted parking space is provided at all times. All other on-street parking will be retained.

Thanks to Wayne Morrison who has been instrumental in seeing this actioned thus far.
FROM THE DEPUTY’S DESK

WIZARD OF OZ NEWS
Thanks to the parents who have volunteered their time / skills to help bring our big production to life! In the next week I will be making contact with all of those parents to let you know how we will organise the working groups. Thank you to Dorota for overseeing parent involvement in costume making; Ms Antennuci has organised hiring a set of approximately 90 costumes from another school and our volunteer parents and staff will organise the other 200!! Thanks also to Ms Di Pietro and family for donating beautiful fabric from her Nonna, who sadly passed away recently. She was a seamstress and we are now in possession of her collection of buttons, threads, fabric and other assortments. Thank you to the Di Pietro family, we are truly grateful.

Information regarding purchasing tickets will go out in the first week of Term 3, and the cost will be $20 per adult and $10 per child. Please be aware that you do NOT need to purchase a ticket for a St Joseph's student. The money raised will go towards the cost of the performance license for the show ($1500!!) and the cost of hiring sets and costumes; the cost of making costumes / props / extra set pieces; the hiring of the audio visual services for the evenings and transport of the students to the dress rehearsal, to name but a few of the associated costs.

During Term 3 we will be ramping up the rehearsal schedules for all grades and this will form part of our curriculum focus for the term. The teachers are also planning an ‘Earth and Space Science’ unit of work, which will run concurrently with the rehearsals for the show.

This week we also welcome four student teachers to our school from the Australian Catholic University. They are in their final year of teacher training and will be working for the next two weeks in the following grades: Prep S (Genevieve Turnbull), Year 2B (Mary Buffon), 4O (Laura King) and 5/6E (Zara Brown). They will then return for the final 6 weeks of Term 3. What an experience they will have being part of our school production and we wish them the best of luck in their final teaching rounds.

Wishing you all a fantastic last couple of weeks of Term 2!

Michelle Moore
mmoore@sjelst.catholic.edu.au

Year 1 Water Walk

On Wednesday, the 3rd of June, Year 1 did a Water Walk on the front playground. A Water Walk is where you have a bucket and you pour about a cup of water in a bucket and you go to a big space and you do ten or less laps. We did it to put ourselves in the shoes of people who don’t have enough clean water. We are raising money for Caritas Australia. We raised over $2000. I felt proud.

By Gabriella Stranges – 1D

Dear Parents,

Early next term the Year 6 Sport Captains are running an AFL football day. There will be many different activities and one of the activities we would like to do is a handball activity. To run this we need a handball target.

If anyone has one, or knows somebody that has one, we would really appreciate it if you could loan it to the school for us to use on the day. I believe that some Auskick centres might have one that they would be happy to lend for a good cause.

We really appreciate your help to ensure the hand pass activity is a good one.

Sincerely,

Charlotte
on behalf of the Sport Captains
We have had a very busy and productive semester in the literacy area. If you walked into any classroom across the school you would see students busily reading, writing, speaking and listening. During the literacy block the teachers are explicitly teaching reading and writing skills using carefully chosen mentor texts. These texts help our students explore reading comprehension and writing strategies as reciprocally as possible. We explore texts first as a reader and then as a writer looking for writer’s crafts that we can identify and use in our own writing.

The preps have been working very hard on their reading and writing this term. It has been wonderful to see the development of their writing during their live chicks’ experience. They have been using their own drawings, photographs and stop animation as their writing stimulus. They have used their knowledge of letter/sound and also their new vocabulary to write a fantastic big book together.

The Year 1s have been exploring comprehension strategies such as predicting and summarising to show their understanding of the texts they are reading. They have been exploring new vocabulary whilst writing to inform. They have also demonstrated their information giving skills with their posters about their “water walk”.

The Year 2s are currently exploring Narratives; using wonderful picture story books as their stimulus. They are identifying the language features used to describe settings and characters. They have also been improving their expression and fluency to ensure they read a narrative as the author intended. They are beginning to write about their own characters and settings using rich vocabulary and describing words. I can’t wait to see some of their finished picture story books.

The Year 3 and 4s have been exploring texts that give information and are all extremely focussed on producing a poster format that informs us about either an aspect of sustainability or an endangered animal. They are extremely confident in talking about the features of an information text. It is also great to see them enjoying learning and extending their understanding of their literature circle roles. It is inspiring to hear some of the rich questions and discussions being had about a book they are reading. This same delight of sharing is seen when the Orrong Kinder children read with the Year 3s a couple of times per term.

The 5/6 classes are now immersed in their Literature circles texts and are using the literature circle roles to help them reflect on their chosen novel. The rich discussion and deep understanding of the concepts are the most important aspects of the literature circle. The Year 5/6s have also been exploring how to persuade and explain in a formal style of writing. The students are becoming very clear about what language features you would expect to see in these styles of writing.

Our Reading Recovery, ERIK and LLI programs are also operating every day, targeting the needs of the students participating. These are implemented by Anna Perruzza and Wendy Dugosija and are developing really positive reading and comprehension skills.

ALL IN ALL, A FANTASTIC SEMESTER OF LITERACY LEARNING...WELL DONE EVERYONE!

PARENT HELPERS NEEDED NEXT TERM
One of the key aspects of achieving really great results is having parent helpers’ support in the classroom. This is not only a positive experience for the child but also for the parent helper. I would strongly encourage you to get your name down at least once next term. Stay for an hour or stay for 2 – every little bit counts. Please contact your class rep to let them know if you can help once or twice or more next term! Thanks to everyone for your continued support.

Geraldine Pepper
Literacy Leader
THE PAPAL ENCYCLICAL “LAUDATO SI, ON THE CARE OF OUR COMMON HOME,” WILL...

1) Build on the foundation laid by the previous two popes.
John Paul II often spoke out about the need to address issues related to pollution and global warming, and Benedict took this a step further in arguing for good environmental stewardship as a moral imperative, during his World Day of Peace address in 2010. Benedict’s Caritas in Veritate made the case for protecting the natural environment for the sake of future generations, and let’s not forget Benedict installing solar panels galore and funding a small Hungarian forest, to make the Vatican the world’s first carbon-neutral state!

2) Focus on repairing our relationship with the natural world.
It could be said that Francis’ choice of papal name really set his green agenda. Francis of Assisi loved nature and is said to have preached to birds and animals and there is his beautiful hymn, Canticle to the Sun, in which he calls the sun “brother” and the moon “sister”. Just after his election, the Pope said he chose Francis of Assisi because “for me, he is the man of poverty, the man of peace, the man who loves and protects creation. These days we do not have a very good relationship with creation, do we?”

3) Make the link between care for creation and the preferential option for the poor.
Francis has often emphasized the fact that the poorest in the world are the worst affected by environmental problems, like climate change, desertification and contamination. This theme connects with the ministry of Bishop Kräutler. Inspired by liberation theology, Kräutler was originally from Austria but started work as a missionary in the late 1960s, becoming one of Brazil’s most formidable advocates for indigenous minorities.

4) Examine the relationship between human and natural ecology.
Francis is likely to emphasize that the way humans treat the natural environment (natural ecology) is symptomatic of the way humans treat each other (human ecology). Francis is well known for his criticism of our ‘throw-away’ society. The ‘use it and chuck it’ mentality infects not just the way we treat the world’s natural resources, but also our human relationships.

5) View environmental advocacy as an opportunity for dialogue and evangelization.
Like other aspects of the Church’s social teaching, environmental stewardship is fertile ground for forging partnerships with non-Catholic organizations and individuals. It’s interesting that in one of his recent speeches from Istanbul on the theme of interreligious dialogue, Francis cited the natural environment as one of the “pillars” on which there should be solidarity between believers. Is it possible that the encyclical will help formulate a common language of our responsibilities towards the natural world which is universal to people of all faiths and none?

Claire O’Dowd, Religious Education Leader (Curriculum)
Dear Families,

**St Vincent De Paul Winter Appeal 2015**

Thank-you to all of the families who have already donated to our annual Winter Appeal in support of St. Vincent De Paul. The baskets in classrooms are slowly filling up with your donations. If you have not yet donated, desired food items include: tinned soups, tinned vegetables, tinned tuna, packets of pasta, coffee, tea, preserves, blankets, toiletries, milo, and biscuits – sweet and savoury. If you have any questions about this please email me.

Kind regards,

Peta Overbury  
*Religious Education Leader*

END OF TERM MOVIE @ THE CLASSIC
Tickets are selling fast for the special screening of the Minion Movie on Friday, 26 June @ the Classic. Ticket sales have been extended right up to Friday 26 June, unless sold out, so make sure you book your tickets ASAP (via FlexiSchools).

TRIVIA NIGHT AND ART AUCTION
Brush up on your trivia because Saturday, 1 August is the bi-annual, St Joseph’s P&F Trivia Night and Art Auction and things can get a little competitive! This will be the P&F’s major fundraising event for the year. Tickets are on sale now, via FlexiSchools.

TUCKSHOP
A huge thankyou to our volunteers from last week, Kris, Sheridan, Carola and Lisa. Another big week with 300 orders! This week we welcome Pia Noble, Andy Sutherland and Liz Glen as our volunteers. Next Wednesday 24 June, our volunteers will be Bec Glass, Mahi Zervas and Lou Campbell.

Please note that this week there will be NO LUNCH SERVICE for Years 3-6 due to the swimming program. Students in Years 3-6 can still order at recess, and the Grade 3 students MAY be back in time for over the counter purchases at lunchtime, but no lunch orders will be filled. Orders for Prep-Year 2 remain unchanged.

Thanks again for your support.

Unable to volunteer on a Wednesday? We are looking for parents to volunteer on a Monday or a Tuesday to assist Amber with the preparation for Tuckshop? Please contact Amber on amber.sanderson@optusnet.com.au Hours are flexible and any assistance would be greatly appreciated.

Any parents who have children with food allergies or intolerances – don't forget to note this on your order (it is the very first “food” option on the front page) or if you would like a list of ingredients of Tuckshop menu items, please email: amber.sanderson@optusnet.com.au

Remember we will be open every Wednesday for Tuckshop. Please place orders by 9am Wednesday morning by using the link shown below, or via FlexiSchools, (www.sjelst.catholic.edu.au/page/199/Tuckshop).

Click here to order online.

With thanks from The Tuckshop Team
Amber, Kellie, Penny, Rach and Sherelle

PLEASE NOTE
Ticket sales for the MINIONS movie have been extended beyond the RSVP date, right up until movie day 26 June, unless sold out prior.

Get in quick to purchase your tickets. This is a fun way to kick off the school holiday period with lots of school friends.
St Joseph’s TriviArt

Trivia and Art Auction
Saturday 1st August
7.00pm for 7.30pm

WHERE: St Joseph’s Primary School

REFRESHMENTS: Antipasto platter provided. Alcohol and soft drink available for purchase.

Netball at St Joseph’s - CALL FOR INTEREST

Currently, we run one netball team through Caulfield South Netball club (the U11 Charger’s). There is considerable interest in forming a second team, so if you are interested, please let us know!

Who? It will be an under 11 team, so anyone who was 10 on the 1/1/2015 is eligible – the youngest would be about 9 (years 3-5/6).

When do you need to let us know? As soon as possible; teams need to be registered by the 30th June, so before the end of term.

Training and games: Training will be at school, probably after school – night to be confirmed. Games are on Friday evenings at either 5, 5.40 or 6.20 pm (and there is usually the opportunity to car pool). The season runs from 17th July to 6th November - but does not run during school holidays or on long weekends.

How? You can either let Rachael McDonald (Millie, 5/6E or Maddie, Prep D) know (rmcdonald70@gmail.com or 0424 082 723) or email the club on cs.nc@hotmail.com, attention Ross Bird, subject St Joseph’s team.

For those who have younger children, there is a ‘Net Set Go’ program also operating through the club – email cs.nc@hotmail.com

Rachael McDonald (Burke)
ST FINBARS OSHC HOLIDAY PROGRAM

ENROLMENT FORMS, FLYERS AND DETAILED INFORMATION AVAILABLE AT THE ST JOSEPH’S OFFICE (SEE KERRY OR MOIRA)

This service is available from Monday 29 June through to Friday 10 July. Many wonderful activities which whilst planned, are flexible with consideration for active and passive time. Some activities include cooking, competitions, group games, incursions and excursions which attract extra costs. The following are just some examples of the type of fun to be had.

Monday 29 June 2015

**Excursion ~ Dendy Park (BYO LUNCH)**
Join us for outdoor learning and play at Dendy Park with the Wubble Bubble (9:30am-12:00)

*FunChallenges4Kids*
Relay race and Potato Sack Race
Sausage sizzle for afternoon snack 3pm

Friday 10 July 2015

**CARNIVAL PARTY DAY - Incursion**
Magician & Jumping Castle (11:00-1:00pm)
COST: $12 cash on the day

*FunArt4Kids*
Party Food @ 3:00pm
Learn music here at school

Come and join in the fun of learning to play keyboard, guitar, here at St. Joseph’s Primary School, Elsternwick.

Creative Music for Schools conducts a music program here at school each week.

Small group classes or one-on-one lessons give children an excellent grounding in music where they will learn to read music and play their chosen instrument.

Tuition costs from $16.20 per lesson and enrolments are now being accepted for limited places in term 3.

Interested parents should call Sharon during office hours on 9818 2333
