

1. Grandparent's Day

Dear parents,

After much deliberation over the recent developments of COVID-19 (Coronavirus) and subsequent advice offered by health professionals, the school has decided to postpone Grandparent's Day until Term 4 (TBC).

In doing so, we are seeking to mitigate the risk with this particular event, due to the likely audience type/age and concentration of people within a small space.

While we understand the potential inconvenience this may cause some families, we believe this is a wise move in light of these developments. It is our priority to ensure the health and safety of our most vulnerable (our beloved grandparents).

As you may be aware, hand hygiene is essential in preventing and controlling the spread of illnesses and disease. Staff will continue to follow the directions from the Department of Health and Human Services, in relation to giving students plenty of opportunities to wash their hands throughout the school day.

For any further information, we encourage you to visit the Department of Health and Human Services web page at <https://www.dhhs.vic.gov.au/>

We thank you for your understanding.

Warm regards,
Simon Collis
