

7. Upcoming Notices/Key Information

Dear Families,

Apologies in advance, as you will notice an increase in the flow of emails from the school CareMonkey platform in the coming days and weeks. In our efforts to support families, we will aim to reduce the content (bite-size) and include all secondary contact emails to enhance the dissemination, consistency and understanding of key communication.

Key information:

- School Open Monday - Thursday
- Tuck Shop cancelled on Wednesday 25th March
- Confirmed **School Closed** Friday 27th March - Statewide
- Confirmed **School Closed** Tuesday 14th April - Statewide
- Email to follow today to outline a 'revised' **drop-off** and **pick-up** routine. Inc. limited access to the school building for parents/carers.
- Expectations encouraging community support with these initiatives. **Doing our bit to keep the community safe!** Calm and reassuring conversations required with the children from parents and staff upon receipt of emails, outlining community safety plans and changes.
- Chromebook permission form issued to all families. Deployment of device in Term 2, only **if** required. Not for holidays!

In appreciation of your overwhelming support,

Simon, Sarah and Claire
