

ST. JOSEPH'S STAGE 4 RESTRICTIONS 'NEW' ON-SITE ATTENDANCE FORM

(Term 3, 2020 as of Wednesday 5th August)

Dear Parents and Carers,

As announced by the Victorian Government, **Stage 4 Restrictions** have been introduced and there are some implications for our school community. Whilst we will continue to provide an on-site supervision program, a much tighter criteria has been introduced and all students will be learning from home except for those in the following categories:

- children whose parents are **permitted** workers (i.e. no adult at home). In these instances the form requesting 'on-site attendance' will be required.
- vulnerable children in out of home care, children known to child protection and other agencies and children the school identifies as vulnerable
- children with a disability who also fit one of the above two categories

Stage 4 Restrictions require all schools to adhere to the above criteria in order for families to access on-site supervision programs. This will come into effect on **Wednesday 5th August**. If you require on-site supervision, a form must be submitted for approval by the Principal.

This week, all parents **must** submit the following form (link attached below) by close of business, 5pm, today, should they require on-site supervision for their child/ren on Wednesday, Thursday and/or Friday of this week only.

Please ensure you submit a new form each week **by Thursday** if you require your child/ren to attend school on-site for the following week as this will assist us with staffing requirements. In future, this link can be located on the school website under 'COVID-19 CORRESPONDENCE'.

Parents and carers will be informed via email by 5:00pm on Friday of each week as to the outcome of their request. **Please note** that requests will be decided by the Principal based on the criteria set out above.
